Spring weather can bring rain and snow. Match locations may change on short notice. Please confirm with coaches or team parents match times and locations.

Please make sure your daughter has food and drinks for after school matches! Everyone will be hungry after school, and really hungry after we play. Good things to pack include bagels, water, fruit, and protein bars.

Rugby players should bring layers of clothing so they can stay warm during the cold and wet weather we frequently encounter during the season. On wet days we recommend foul weather jackets and footwear and a change of clothing is encouraged for post game.
